gate to plate

At OSSO, we cater to large groups by offering a selection of set menus to suit any taste or budget.

To ensure you and your guests are best looked after and served within reasonable times, we highly recommend a set menu selection for groups of 14 or more. Given the large number of guests served in the restaurant on Friday and Saturday nights, a set menu selection is essential for any booking of 15 people or more.

DIETARY REQUIREMENTS

We are able to accommodate any number of dietary requirements. Just be sure to contact and notify the restaurant manager as soon as possible.

MENU CHANGES

The Head Chef is happy to modify any set menu to individual specifications. Notify the restaurant manager of any changes prior to booking. These changes will then be subject to a review and pricing adjustment of the menu to accommodate your changes.
